Standard Ground Bar Bolts
Used to Connect Busbar
to Mounting Brackets
and Insulators

Storm Power stocks dozens of grounding bus bar patterns at its online copper connectors store. Over 90 different ground bar kits feature numerous ground bar sizes with drilled and tapped holes, and cable lug configurations to fit electrical specs from cabinets to vast solar and wind farms. Storm offers grounding bar kits that come with an amperage-matched set of standoff insulators and heavy steel brackets for rack and wall mounts.
